

RECRUITMENT, WITH DISTINCTION

People placed beautifully.

Prestige recruitment, temporary staffing and healthcare staffing support across the UK.

UK-WIDE • RESPONSIVE • PERSONAL

A boutique approach to urgent cover, flexible workforce support and candidate care.

WHAT WE DO

Calm, capable recruitment when it matters.

From urgent short-term cover to planned workforce support, Hawthorn & Rose combines the pace of a modern staffing partner with the care and standards of a boutique agency.

01 Temporary staffing

Dependable people for short-term cover, seasonal demand, projects and unexpected gaps - sourced with speed and attention to fit.

02 Flexible workforce support

Scalable staffing for employers who need a responsive pipeline without compromising on communication, professionalism or candidate care.

03 Candidate representation

A considered, human approach for people looking for their next assignment, with clear communication from registration to placement.

Built around people, not transactions.

The strongest placements happen when employers and candidates both feel understood. Our service is designed to be responsive without becoming impersonal.

A refined experience for clients and candidates.

FOR EMPLOYERS

Staffing support that reflects your standards.

Tell us what you need, when you need it and what matters in the role. We focus on suitability, communication and dependable delivery.

- Short-notice and planned cover
- Role and culture matching
- Clear, responsive communication
- UK-wide staffing capability

FOR CANDIDATES

Your next assignment, handled with care.

We make registration straightforward, keep you informed and work to match your experience, availability and preferences to suitable opportunities.

- Flexible temporary assignments
- Clear role information
- Respectful candidate experience
- Ongoing consultant support

Where we can help

- Office & Administration
- Customer Service
- Hospitality & Events
- Retail & Front of House
- Operations & Support
- Healthcare & Care Support
- Bespoke Staffing Projects

Care delivered by people you can rely on.

Healthcare environments depend on capable, compassionate people. Hawthorn & Rose supports healthcare and care providers with responsive temporary staffing, helping maintain continuity when teams are under pressure or additional cover is required.

Healthcare & care support

- Temporary and short-notice healthcare cover
- Support for care homes, community services and healthcare settings
- Candidate matching focused on experience, reliability and professionalism
- Clear communication with clients and candidates throughout the assignment

RESPONSIVE SUPPORT

Without losing the human touch.

CONTINUITY

Support when staffing levels need strengthening.

PROFESSIONALISM

People selected with the working environment in mind.

RESPONSIVENESS

Clear communication when timing matters.

CARE

A respectful experience for clients and candidates alike.

Role-specific checks matter.

Where a role requires specific checks or credentials, recruitment is subject to the appropriate role-specific eligibility, right-to-work, reference and safeguarding requirements.

Professional. Responsive. Respectful.

A staffing partnership designed for the dignity, pace and reliability expected in care-focused environments.

OUR APPROACH

Simple by design. Thorough where it counts.

A straightforward process keeps momentum high while giving both clients and candidates the attention they deserve.

1 Understand

We get clear on the role, priorities, timing and working environment.

2 Match

We identify people whose experience and availability suit the requirement.

3 Confirm

We keep details clear and communication direct before the assignment begins.

4 Support

We stay engaged so both sides have a responsive point of contact.

“Recruitment should feel considered, even when the requirement is urgent.”
